Orange Tree Golf Club

I am beyond excited and honored to share with you this very special letter from USGA President J. Stuart Francis:

Ladies and Gentlemen:

Congratulations to Orange Tree Golf Club upon the celebration of its 50th anniversary in August, 2022. This achievement of being a thriving club for 50 years is a wonderful testament to the fact that Orange Tree Golf Club has always remained true to its mission to be a club based on the core belief that golf is a Ladies and Gentlemen's game.

The Club has very popular daily golf games for men and women, adheres to fast pace of play policies, and is widely known for excellent greens and great playing conditions at all time. The club is also highly respected for its regular Scratch Game. In addition, the club has continued to serve the game by hosting numerous US Open Qualifiers and many Florida State Golf Association events.

The USGA would also like to commend the Orange Tree Golf Club, the Wisne family and the club leadership teams over the years that have ensured that the club, the golf course and the membership have all adapted well to changing times over the past 50 years while always honoring its rich history.

On behalf of the entire USGA leadership team, congratulations and well done to Orange Tree Golf Club! Good luck in your next 50 years!

Sincerely

J. Stuart Francis

Thank you to member Mark Russell, who champions OTGC at every chance. My heart swells with pride when members share their love of OTGC with industry professionals, friends, neighbors, colleagues. In fact, there is a select group of members who have been doing just that for over 40 years! Jim & Tommie Witthohn have been active members of The Tree since 1973; Pat Rogner since 1974. Others that have remained active since the 1970s-1980s: Crawford & Donna Barley, Doc Fraser, Jim & Sydney Holmes, Don & Carolyn More, Carolyn Alexander, John Quarless, Barbara Burlingham, Jeanette Lawrence, Dick Clarkson, Ford Duane, and Dennis Jones. Be sure to find them at the 50th Anniversary party... they have some great stories!

SCRATCH GAME

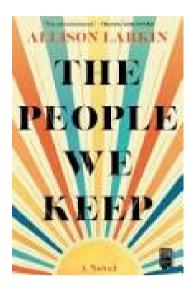

If you thought The Scratch Game was busier than ever this summer... you're right! All thanks to a fun event called The Summer Series. Players combined their Top 10 team scores from the summer months creating a lot of excitement near the end. Congrats to the winners: Charlie Lentz -76, James Jin -74, and Brent Cozlin -70.

BOOK CLUB

This year the OTGC Book Club is reading some of our member's favorite books!

This month's selection is The People We Keep by Allison Larkin, and was chosen by member Allison Wisne.

Allison chose this book because of the interesting plot line. Says Allison: "It's about a girl who has the courage to remake a life for herself once she realizes her childhood home town, and all it had to offer, were no longer working for her. She experiences different friendships and life events which eventually lead her to a much more authentic and fulfilled life."

OTGC Book Club meets the 4th Thursday of each month at 2pm. This month's Book Club will take place TBD. You don't have to make it every month to participate... join us in any month the book selection interest you! If you have a favorite book you would like considered for discussion, please email Shannon at swisne@orangetreegolfclub.com, and be sure to tell her why it's a favorite of yours!

NEWS FROM "THE SUPE"

By Rob Torri Superintendent

The #1 Rule of Golf? Always leave the golf course better than you found it!

I am happy to announce that over the course of the next month we will begin a significant bunker renovation. The goal is to bring the bunkers back to their original size, shape and consistency. This is quite a labor-intensive project and the team that will completing this task will need to work around the clock. We are asking for members understanding to be patient as the team will continue working during play.

Also, keep your eyes peeled for a few other improvements around the course!!! Fall is around the corner and I hope everyone is as excited about this upcoming season as your Maintenance Team is!!!

DIRECT FROM DAVID

By David Damesworth Director of Golf

We have updated our local rules with two new changes to the course.

#2- The right side of the green- from the coquina shell path and bamboo to the wall will be marked as free relief. There will be white markings to determine the area of free relief. There will be a drop area option as well as the nearest point of relief option for balls that come to rest in that area. There will be (4) white markings in a rectangle shape to designate the area.

#4- The large black fence to the right- free relief from large black poles that hold up the safety netting above the chain link fence to the right of the fairway. These large black poles and the netting that is attached to the chain link boundary fence will be considered an obstruction. Players will get free relief if the large black pole or netting interferes with their swing or stance. The chain link fence designates the boundary so relief is not given from the chain link fence.

Further explanation of these new rules from me and Mark Russell, retired VP of Rules and Competition, PGA Tour, can be found in videos on OTGC's website, YouTube Channel and Facebook page.

TOP 3 PHYSICAL RESTRICTIONS THAT ARE LIMITING YOUR GAME

1: Flexibility

Stiffness in your Low-Back, Hips, Shoulders, Neck and Feet cause tension in the body. Tension forces your body to compensate, altering your swing. This is why you can have your swing locked in one moment, but then it's gone the next.

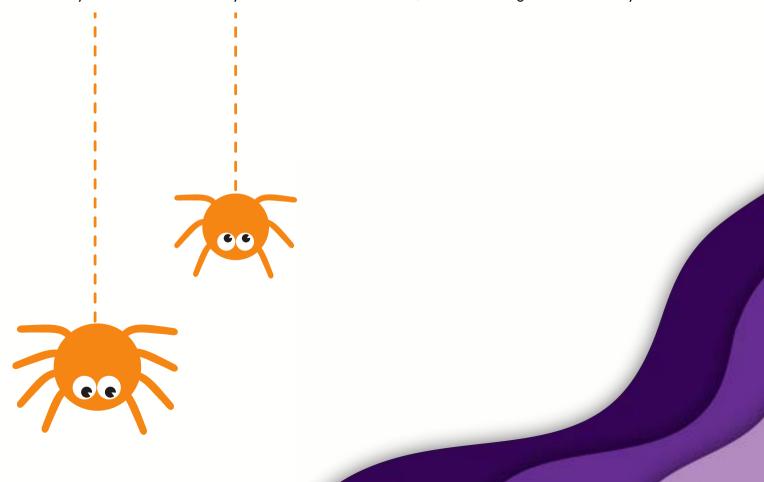

2: Solid Foundation

You can't expect to have a good golf swing if you don't have good fundamental movement and strength. If your body doesn't have the key fundamental movements that are needed for a good golf swing, your body will compensate, causing you to develop bad habits. This causes inconsistency, lack of control and loss of power.

3: Balance

Do you sit down most of your day? Do the same exercise routine? This will eventually develop a wear patten that creates in-balances within your body.

Imbalances not only lead to less power and control, but are the root cause of most aches & pains. Just like you rotate the tires on your car to create balance, we must realign and balance you too.

CATERING WITH KIRSTEN

By Restaurant and Event Manager Kirsten Carter

THE SCARY SEASON IS HERE! TRY A SPICY BLOOD ORANGE MARGARITA

For the Margarita:

- 4 ounces silver tequila
- 1 ounce simple syrup* (2 tablespoons)
- 2 ounces freshly squeezed lime juice (1/4 cup fresh lime juice)
- 2 ounces freshly squeezed blood orange juice
- 2-4 jalapeño slices, depending on how spicy you like it

For serving:

- Tajín (or sea salt) and a lime wedge for rimming the glass, if desired
- Thin blood orange slices
- Ice
- 1. Cut a wedge from a lime and rub the cut side of the lime along the rim of your favorite glass. Pour tajín (or sea salt) onto a plate and dip the wet glass rim into the tajín to coat it.
- 2. Add tequila, simple syrup, fresh lime juice, blood orange juice and jalapeño slices to a cocktail shaker. Then add about ½ cup of ice cubes to the shaker, cover tightly, and shake vigorously for about 15 seconds
- 5. Add Ice, pour your Mixture, and garnish with Blood Orange Slices!

CREAMY CHORIZO GNOCCHI

Ingredients

- 17.5 oz gnocchi
- 1 tablespoon olive oil
- 3.5 oz chorizo, cut into small pieces
- 1 medium shallot, diced
- 1 red bell pepper, diced
- 2 large garlic cloves, finely chopped
- 14 teaspoon red chili flakes
- 1/3 cup dry white wine
- 1 tablespoon tomato paste
- 3.5 oz cream cheese
- 3.5 oz baby spinach
- 1/3 cup grated Parmesan
- Salt and pepper to taste

Instructions

- 1. Heat the olive oil in a large pan or Dutch oven and fry the chorizo for 2-3 minutes over medium heat until slightly crunchy.
- 2. Add the shallot and red bell pepper and continue to cook for 3 more minutes, stirring occasionally, until the veggies soften.
- 3. Meanwhile, bring a large pot of water to a boil, salt it generously and cook the gnocchi according to the instructions on the package.
- 4. Back to the pan, stir in the garlic and red chilli flakes and continue to cook for another minute until fragrant.
- 5. Pour in the wine and cook for a minute until the alcohol evaporates, then stir in the tomato paste.
- 6. Take out half a cup of water from the pot the gnocchi are cooking into. Add the cream cheese and the gnocchi water and stir until you get a smooth, creamy sauce. Add some extra water as needed if it looks too thick.
- 7. Stir in the baby spinach and allow the sauce to simmer for 1-2 minutes until it wilts. Add the cooked gnocchi and toss to smother them in the sauce.
- 8. Stir in the grated Parmesan, season to taste and serve immediately, with some extra grated Parmesan on top if you like.
